

## SERBOT II-mini

Window and wall cleaning equipment is ideal for washing small to mid-height buildings from 3-15 stories tall. Weighing just over 50kg, the Mini folds down for easy transport. Its transport wheels make maneuvering the unit fast and simple. The Mini cleans using soft touch foam brush carwash technology.

### SERBOT II-mini BASE PACKAGE includes:

- 2 - 12 V Lithium Ion- Batteries
- 115V/220V dual battery charger
- 12V remote on/off switch
